

CLINIC RANKING FORM
Fall Semester 2008

Please indicate your rank-order preference for each of the following clinics by placing a “1” in the space next to your top-ranked clinic, a “2” in the space next to your second-rank clinic and so forth. (If one or more clinics are equally attractive to you, feel free to so indicate by giving them equal rank).

Only provide a rank preference for those clinics in which you are willing to enroll. Your application to and ranking of a particular clinic constitutes a commitment to register for that clinic course if you are accepted. Please note that you must also turn-in a separate application for each clinic in which you would like to enroll.

Please return this form and all clinic applications to Judy Gielniak in the clinic office, room B04. You will be notified via e-mail of the application deadline, as well as the date you should expect to receive notice as to whether you have been accepted and registered into a clinic course.
