

**CLINIC PREFERENCES
2011-2012**

Name: _____

Graduating Class: _____ E-Mail Address: _____

Please rank your choices for 2011/2012 clinics on the list below. We encourage you to apply broadly in order to maximize your chances of being admitted to one of the clinics. Your chance of being selected for a clinic by the instructors is not affected in any manner by number rank you assign it or by whether you have applied to numerous clinics; the rankings are not used by the instructors in the selection process (indeed, the instructors never see the rankings). Rather, the rankings are only used to match students with their highest preference among the clinics for which they have been selected.

By listing a clinic as one of your preferences you are **committing yourself to enrolling in the clinic in the quarter in which you are admitted**. If accepted to a clinic, you will be working full-time in the clinic for that quarter and will earn 12 credits. You may not enroll in any other courses or seminars or earn any other credits during your clinical quarter.

If you have no preference as between two to several clinics, please indicate that by ranking them with the same number.

You will be notified of the clinic (and quarter), if any, in which you have been admitted in advance of the close of law school registration.
