(Announcer): The people of America should be running our government. That's the way it was set up in the first place.

The problem is the special interests and the paid lobbyists who control

the Washington politicians. The answer is term limits. Term limits

replace Washington insiders with new people who reflect community

interests, not politics as usual. Molly Bordonaro has signed

the pledge to limit her terms in Congress. David Wu refused. Call David Wu

and tell him to sign the US Term Limits Pledge.

reward China with a permanent trade deal. Tell Congresswoman Myrick

stands for fairness. [DIS]: Paid for by the AFL-CIO.

are always at risk of losing family businesses. Debbie Stabenow

voted twice against getting rid of the Death tax.

[Melanie]: "Everything we have worked for can be taken away in an instant and that's not fair."

[Announcer]: Call Debbie Stabenow. Tell her our working families need a break.

[Announcer] It's almost too much to swallow. Year after year the federal government takes a bigger piece of the pie.

In fact in 1998 we'll pay more in federal taxes than at any time in American

history except for World War II. And now with the budget surplus,

in thirty years all the Washington politicians can talk about is getting their hands

on more of your dough. Call Harry Reid and John Ensign tell them no matter who

goes to Washington you want them to cut your taxes. Otherwise they'll be

nothing left but the crumbs.

[Announcer]: Medicare cuts to nursing homes threaten quality care. This year the Clinton-Gore Administration is spending \$3.5

billion less than Congress provided for nursing home care. No wonder

care for seniors is in jeopardy. [Shawberg]: "This isn't about politics,

it's about people. These cuts are hurting patient care. It's just wrong."

[Announcer]: Call. Tell Al Gore to fight to restore nursing

home funding. [Shawberg]: "Please Vice President Gore, restore the medicare cuts

and keep the promise."

in favor of the Foreign Worker Bill. Call Congresswoman Northrup and tell her to save

[Announcer] After years of deficits, the politicians in Washington say

we're rolling in money. Here's something their not saying.

Nearly every dollar of the budget surplus comes from Social Security.

Now the Republican Congress wants to spend the Social Security surplus on a 80 billion dollar

election year tax cut. Even if there's talk about cutting Social Security

for future retirees. Call Congresswoman Northup and tell her

no on this scheme. Tell Northup to put Social Security first.

overwhelm the system with expensive new healthcare lawsuits. Lawsuits that could make trial lawyers richer.

That could make health care unaffordable for millions. Senator Lauch Faircloth
